

**PETITION TO AMEND
VITAL RECORD**

CASE NO.
Class Code: 30703

Petitioner

In Re the Matter of:

Child (if applicable)

_____ petitions the Court pursuant to sec. 69.12, Wisconsin Stats., for a hearing and determination by the Court that the information on a vital record does not represent the actual facts in effect at the time the record was filed. A certified copy of the original vital record is attached to this petition.

I reside at: _____
My telephone number is: () _____.

The state registrar was not permitted to amend the vital record under sec. 69.11 Stats., for one of the following reasons: The petitioner has insufficient evidence to obtain an amendment through the State Section of Vital Statistics; An item has been amended one time and a party now wishes to amend the same item a second time; or, the 365 day time limit for amending items on a vital record has expired and the time to be amended is not specified as being amendable without a court order. The State Registrar may only amend certain specified items without a court order (and only on birth records) after the 365 day time limit has expired (e.g., name correction).

The petitioner wishes to amend the attached vital record as follows:

Reasons for the above requested change(s) of vital record are:

Dated this _____ day of _____, 20_____.
