You have been ordered as part of your bond to be supervised by Pretrial Services. You must report to Pretrial Services in person as directed on your bond form. Calling the office does not replace reporting in person as ordered. Below is a map for your reference. Failure to comply with reporting as instructed may result in a warrant for your arrest.

Due to the nature of Dane County Pretrial Services, please make arrangements for your children so that they are not brought to appointments.

Directions: Enter the Courthouse at 215 South Hamilton Street and take the elevator to the 5th floor. (Please note that access is not available through the stairwell.) Exit the elevator and walk in the direction of the large, outside windows. Room 5052 is the first office on the left. Please give yourself additional time as you are required to go through weapons screening.
